EPOS

B20

Step up your microphone, step up your streaming

The EPOS B20 streaming microphone with integrated audio controls gives you full control over your sound with volume, gain, mute and a choice of four pickup patterns - cardioid, stereo, bidirectional and omnidirectional – to cover every recording scenario, from solo game streams to team-play broadcasts.

Intuitive LEDs show when the microphone is active or muted and a headphone jack lets you monitor your voice in real time in balance with game audio, and make adjustments on the fly.

Take your streaming game to the next level with our broadcast quality, hassle-free, digital plug-and-play microphone. A microphone with flexible setup options that will grow and step up with you as you expand and advance on your gaming content creation.
