Pure-Fi Express Plus™

Great sound, throughout the room

- iPod/iPhone speaker dock
- Omnidirectional acoustic technology
- Portable
- Alarm clock
- Wireless remote control

The Logitech® Pure-Fi Express Plus speaker dock for the iPod and iPhone features omnidirectional acoustic technology, which provides great sound at a consistent level, throughout the room. It also includes the ability to run on AC or battery power, making it easy to take your music from room to room; an alarm clock, so you can rest assured that you'll wake on time; and a wireless remote control that works from up to 10 metres (30 feet) away and stores neatly in an integrated compartment. In all, it's a great way to dock, play and charge your iPod/iPhone.
